“ Dear Mrs. Graham, Allan, and family--
I was saddened when I read about the death of Mr. Graham. It brought back so many memories of my days at Sherwood Elementary, teaching Allan in the first grade, and your kindnesses to me as a new teacher. I lost touch with Allan after many years of keeping in touch through Christmas cards. We send our sincerest sympathy and want to express our sadness to you and your family in the loss of your husband, father and grandfather. We will probably be unable to attend the funeral but I hope to contact you in the near future. Sincerely, Karin and Mike Tabb
