“ Mrs. Kirkley was a patient of ours for many years. She was a delight to see and be around. Always positive and supportive and kept a smile and a prayer for us. She will truly be missed by so many. Her sweet memories will stay with us. God Bless to her family and friends.

“ Marion was like a second mother to me. I have known her since I was seven years old. She was my mother's best friend. She was always happy and upbeat and was very loyal to her friends. She took good care of my mother when she became less mobile and would call her every day to see that she was ok. I always loved talking or visiting with her because of her positive outlook on life. I will truly miss her.

“ We are so sad to hear about Marion. She and Dan were so close to Mother and Daddy and us three kids, me, Kay and Doug. She was a special person to us all...like family really. Know that you all will be in our thoughts and prayers and especially Marion as she was kind and understanding to Mother as she faded so fast. I know that there is rejoicing as they are all together again. We will never forget Dan and Marion...God Bless
