“ I just learned of Pat's passing today. My thoughts are with all of her family and friends. I had the tremendous pleasure of working with Pat in the mid-1990's at Merry Acres when I was the food and beverage director there. I currently live in Tallahassee where I am the director of the March of Dimes for Florida. I will be making a memorial contribution to our organization in memory of Pat. I have thought of Pat often.....she and my mother were the same age, born one day apart and both named Marion! My condolences are with all of you. Thank you, David Campbell
