

## Mrs. Marjorie Jane "Sister" Miller

December 22, 1944 - February 29, 2024

Marjorie Jane "Sister" Miller gained her angel wings February 29, following a brief illness. She was 79.

Born December 23, 1944 to Oscar and Jane Miller, Sister was a sweet and thoughtful spirit who never met a stranger. She was a wonderful storyteller and a fierce lover of animals, having cared for pets from RikRak the raccoon to Elmo the owl, and a long list of very lucky cats and dogs, including many strays. Sister was an excellent cook. She loved a good laugh and a harmless prank - you never knew what to expect when opening a letter or package from her.

A 1963 graduate of Albany High School, Sister attended Wesleyan College in Macon, where she broke some rules in the name of fun, including rolling up her pants so she'd appear to be wearing a dress beneath her coat as young Wesleyan ladies were not supposed to wear pants in public. She was often seen during those years zipping around Macon on the back of her brother's motorcycle, the two of them dedicated to one another all their lives, right up to her final moments.

She is survived by her daughter, Misty (Bill) Bosma of Sussex, New Jersey; brother, Vic (KK) Miller, of Albany; granddaughters Baylee and Sydney Bosma, of New Jersey; nieces Delle (Erin) Driskell and Maisy (Chad) Barnette; nephew Jimmy Miller; great-nephew, Grey Barnette; pets Soapy and Katniss; many cousins and a lifetime of dedicated friends. In lieu of flowers,

please consider a contribution to the Sally Wetherbee Animal Adoption Center in Albany, Ga.

A service will be held at 3pm Sunday, March 3 at Kimbrel Stern in Albany.

“ So sorry for your loss; and what a great loss it is. She was sweet, smart, funny, fun, sophisticated, was gracious and kind. She will be sorely missed. I had the honor of sharing many fun times with Sister. I will treasure those memories always. Gail (Murphy) Williams, Fort Valley, Georgia.

“ Sister was a part of my life growing up, always making me smile and laugh. One of my favorite parts of going to Albany was my time spent with the Musgroves. She had the sweetest heart and will be missed greatly. Rest in peace sweet Sister.

“ I live next door to Sister for over 15 years . It was always a delight . She made us laugh and her love of animals was legendary. I know Sister is at last smiling down on the Flint.

“ The last time we saw Sister I told her there were people looking after her and it was a miracle to have found her in Lee County that day. We led the way back to Radium Springs and said goodbye repeating the word miracle. She laughed as only she could and invited those watching after her to come on down! What a personality.

“ *If not for Marjorie, I would not be here today. She was the one that introduced my parents. We also share the same name being both named for her grandmother and my great grandmother. I am so glad I was able to spend time with her this year during Christmas. She was such a sweet and kind person. I am very lucky and proud that she is my cousin. Marjorie Huckabee Carter*
