“ To all of the Ruehl family:
I no longer live in Georgia, but I do keep in touch through the internet. I am saddened to learn of the loss of your beloved Mom and Grandmother, Marjorie!! I worked with her for several years at JC Penney. I also went to Albany High, graduating with Charles. I have thought of Marjorie so many times as she was always so nice to me and we had lot of great conversations. She was one of those special people who touched one in so many good ways. I am thankful for having known her. My thoughts and prayers are with all of you during this difficult time.

“ Our thoughts are with you all. Your mother was a wonderful lady. I remember well my days in high school when I worked at Penneys - she would stop by the camera counter regularly to check on me and visit a bit. Her smile was a treasure to all. Nancy and I wish that our schedule had allowed us to make the trip to Albany this weekend to be with you.

Blessings!

“ David, So very sorry so read of the passing of your mother. I
thought so much of your parents. Even now if I ride down Eager in
Albany, I look at the house and am reminded of them and my time
cutting the grass for them. Your family will be in my prayers.

“ Charles, Phoebe and family: Charles, your Mom lived a long time
and I know y'all will miss her. I want you to know I am praying for
the family. Please know how instrumental you were in structuring
my Christian walk while you were at Porterfield. I pray your ministry
is far reaching and you continue to touch lives thru HIS love.
