“ *POEM FOR A LOVED ONE: To Those I Loved and Those Who Loved Me - When I am gone, release me, let me go. I have so many things to see and do. You mustn't tie yourself to me with tears, Be happy that we had these precious years. I gave to you my love, you can only guess how much you gave to me in happiness. I thank you for the love you each have shown, But now it's time I traveled on alone. So grieve a while for me if grieve you must, Then let your grief be comforted by trust. It's only for a while that we must part, So bless the memories within your heart. I won't be far away, for life goes on. So if you need me, call and I will come. Though you can't see me or touch me, I'll be near And if you listen with your heart you'll hear, All of my love around you soft and clear. And when you must come this way alone, I'll greet you with a smile and say, welcome home. Mark will be missed by so many, including myself. My thoughts & prayers go out to his family.*
