Mark Mims

February 7, 1991 – December 14, 2018

Mark was born and raised in Albany, GA. He graduated from Monroe High School. Mark passed at the age of twenty-seven. He is survived by George Mims (his brother) Shea Mims his sister-in-law. Kenzie and Rylie Mims his nieces. Gunner Mims his nephew. An amazing extended family Steve Hood, Eunice Hood, Joan Berry, Don Moody, and the rest of his Church family whom all cared deeply for Mark. Mark was a very accomplished young man to have had a short but meaningful life. He was the greatest brother, uncle, and friend anyone could ask for. During his life he remained humble and kind. He didn't hold grudges. He was slow to anger and fast to forgive. He gave his best and had a big heart. He truly touched the lives of those around him. If Mark can teach us a lesson in the way he lived his life let it be that life is precious. Be kind like you have the world to give. Remain humble and never look down on Anyone. Love like you have never been hurt. Forgive like you didn't feel the pain. The only things that can keep you down are only the things you allow to hold you down. Believe in yourself and never lose faith in others. And most importantly your accomplishments are not measured by material things. Your accomplishments are measured by your ability to cherish the little things in life and the way you love the ones you share them with.
