“ *Ms Martha was such a caring and kind lady who loved all animals. I believed that she would feed all the animals in the world if she could! We used to have a Bassett hound by the name of Bubba and she'd cook him chicken. So when he'd go missing for a few minutes, I knew he was at her house. Prayers for Mr. Tom and Heather!*

“ *Martha was my first cousin. She was always so sweet and generous to me. When my family moved back to Albany in 1969 I just about spent the whole summer with her. She boiled a chicken every day for her golden retrievers Lottie and Lance. She had goats and after I married, my son loved to go visit Martha and the goats. I did too. When Martha cleaned house she took everything outside to air and the room was cleaned top to bottom! We haven't been in touch in many years, but I will always remember her kindness to a lonely teenage girl. I can imagine her reunion with Mama Donnie Bell and Granddaddy. Rest in peace dear Martha. Love and prayers to her loved ones.* *Lisa Geeslin Roth*
