“ I only knew Martha for a very short time. I met her at a PEO luncheon of Chapter DO in Sedona when I was first being introduced as a potential member. I can remember the sparkle in her eyes and her zest for life. Martha was a very memorable woman and I felt an immediate connection. I'm sorry that she moved from Sedona shortly after I was initiated into Chapter DO. She will long be remembered.

My deepest condolences,

Roseann Ebert

“ Dear Sherry and family,
Martha was so many things to our P.E.O. Chapter DO. Not only was she a Charter member and loving sister, but a vibrant presence in our lives. Many of our husbands claimed her special eye as well ! Yesterday at our meeting we heard some wonderfully funny "Martha" stories , including a P.E.O. sister named Martha who was kindly informed that she would have to be "Martha #2", because the title of "Martha #1 " was already taken ! Only our dear Martha could get away with that comment with the familiar twinkle in her eye !

“ *Martha was truly a lady. She took time to get to know us when we moved to Sedona and always had a positive thought. She loved her animals. Being dog lovers ourselves we visited her often to play with the dogs. Always had a little job for Stan. She loved being with him and as she always said "that is the highlight of your visit-talking to Stan" She will be missed and remembered.*

“ Dear Sherri,

How can one really share when our hearts are broken.

To know Martha was to love her, and she will be missed by all who knew her. Judy and I had the privilege of knowing her as a second mother and that will be within our hearts forevermore. She brought a smile to all who knew her, and life was always a lot more fun with her around.

I'm sure she has surely livened up heaven since her arrival. I remember her saying, "God just isn't quite ready for me yet" and she just may have been right!

We will miss her forevermore, but for sure our lives have been surely made better by having known her and the time she gave to all of us.

Remember these words;

No happy time that passes is ever truly gone, when it leaves a happy memory for looking back upon.

(author unknown)

Our heartfelt prayers and love are with you Sherri, and all of the rest of the family.

With love and gratitude for the time we had with Martha upon this earthly plane. We miss you our dear one!
