“ *Mr. Chick*

I did not know until today that Martha had passed away. I was looking her up on the internet to call and ask her a question and surprisingly found this website with her name in it. You have talked to me on the phone several times over the past 12 years when I would call from Archbold to talk to Martha about the Laryngectomy Support Group. I am a speech therapist...she taught me alot over the years and became a dear friend of mine. I am praying for you and your family. I will truly miss her.

“ Martha was my very good friend. We picked strawberries by the bushel it seems and tomatoes, etc. She loves to gather vegetables and fruit. and when Chick has a garden she always invited me to come and pick greens which were the finest you could ever find. So many memories. God bless you Chick and Don and Paula. We will miss her so.

“ *Martha was such a good friend and partner to me. She and I always looked forward to the month of November, so we could talk to the kids about the dangers of tobacco, but mostly it was our time to get together, have lunch, laugh, talk and just catch up on one another's life. She hadn't gone with me in 2 yrs. and was missed by both me, the kids and the teachers. See, the teachers would tell the kids about her coming and when she didn't they were all disappointed. Martha will always have a place in my heart, forever. Don (girls) and Paula, boy did she love you guys, I know you know that, but I want you to know that I know that. She always, talked about you. Don, your accomplishments made her very proud! Paula, she wanted you to stop smoking, have you? I sure hope so. She would always tell the kids that she felt responsible for you smoking, because she started smoking while pregnant with you. I pray your strength. She shared so much with me about you guys, I was honored, because she included me. Chick, she always worried about you, please call me if you need anything at all- 312-2315 and I'll be there. You all are in my prayers. Lastly, one thing we know, and that's we will all leave this world, we must all die, but few of us get the chance to live. But not Martha, she lived and enjoyed life, please remember that. Love, peace and prayers to you all. Pat*
