“ *Donnie, Just return from vacation and read about your mother's death. She was always such a sweet lady to me. I know you will miss her! You are in my thoughts and prayers. Had I been in Albany, I would have came to see you. My love to you at this time, John*

“ *Little Bit and I go back to the mid 1970's. I feel bad that I have not kept in touch with her over the past few years, having suffered a stroke has limited my activities. I have many fond memories of she and Bill.*

*May God Bless the family,*

*Sincerely Barbara Blair*
