“ To the family of Mary Anne Bland:

I had the unique pleasure of working with Mary Anne Bland for nearly 11 years, during my tenure as Health Director for Health District 8, Unit #2. Mary Anne was one of the best and most dedicated public servants I have ever known: immensely competent; focused; courageous; respectful of others; always willing to help and support. Add to that the fact that she was one of the most decent human beings I have ever known: kind; thoughtful; supportive; brave; caring. I feel most fortunate to have known her, I will miss her greatly, and I will remember her, with love, always.

“ Dear Family: I truly regret having to say this as it is also hard for me to have to believe that Mary Ann is gone. She was almost like my little sister when I was growing up. I will miss her every day. I am sorry to not be able to attend her funeral tomorrow but you are in my prayers. Judy Rees Hill
