“ *I was so touched that Mary's daughter, Mahala, acknowledged "the power of prayer" and that she witnessed what it did with her Mother. "The nurses, hospice nurses and I were all astounded at the ease with which she died given the extent of her disease." Mary was obviously blessed greatly and loved dearly. Lynn*

“ *Dear Mahala, Billy and Tommy,
I was so sorry to learn of your mother's death. All of you are in my prayers. I always remember your mother's smile. It really did light up her face. She had such a nice way of laughing. Please accept my sympathy at this very difficult time. I know all of you will miss her, but rejoice in the life she lived and take comfort in her eternal life.
In His love,
LuAnne*
