“ *Mary got more fun out of life than anyone I have ever known. I loved being around Her. And Dave loved hearing me sing. We used to borrow their big Van to take the kids to the beach. Those were great days. You couldn't be around Mary long before You were laughing. I am so glad that I got to know both of Them. Mary could really tell stories that You never forgot!!! One wonderful Girl !!!!!*

“ *Beth, Holly and Mark, I am so sad to hear about your mom. When I think of her and your dad, the first thing that comes to mind is fun. They were always so much fun, and really enjoyed life. They were always laughing and joking when they got together with my parents, and John and Linda Weinneman. I know your dad was happy to welcome her home❤️ Love and prayers to you and your families.
