“ *Mary Lanier, better known as "Tot" by her friends at First State Bank & Trust, was a special lady. She enjoyed the bank retirement group and rarely missed a meeting all these years. Though she was shy, she possessed a keen interest in her former co-workers. She was always beautifully dressed and looked like she had just come from the beauty shop. I admired her for her independence and stamina. I will always miss that sweet smile. My love and prayers are extended to the family.*

“ Aunt Mary was a sweet sweet person. She was always concerned about my mother and Father through the years.
When the tornadoes came through last year, she came to our house to stay until she got power. It was a joy to have her in our home.
Recently while recuperating from knee surgery she showed up with a box of chocolates.
She was my mother's last living sister. She will be missed.

“ One of the sweetest ladies I have ever worked with. I can see Mary, Patty and Claire sitting at that long table hunting down those checks that would get out of place, laughing about something as they looked. They always seemed to be smiling.
