“ *We will miss you, Gramma. You reminded me so much of my own great Gramma, so much with the way you loved life, family and the country. I will miss fishing with you. I will always remember having our coffee and morning conversations at PC. That was a good summer. I'll meet you on the other side of the river someday. For now, I wave good bye.*

So sorry for your loss, a long time friend.

“ For the first 12 years of my life, Aunt Mary cared for me as if I was her own. She enjoyed having me with her and I needed that. I knew she loved me and I never felt I was in her way. She was a country girl for sure She made us mind, if discipline was needed either we got a tongue lashing or "go find your switch". The latter was usually for the boys. You knew never to answer an adult with a yep or nope it was yes or no followed with a sir or mam. Times were hard but somehow there was some form of food on the table. She had chickens ,mostly for eggs, If we had chicken dinner either something special happened or the preacher was coming to dinner. She was a good shooter so if anything eatable came along, dinner was served. She loved to fish so we ate lots of fish. Fishing was a love of hers and her fish was usually the biggest, at least in her mind. She loved to joke and have fun. Even after the virus I think Pam took her fishing. She was a Christian woman and loved the Lord. Any chance she got she would tell you about Him. She meant so much to me I could never put it all on paper. She was my first mentor, my friend, my beloved Auntie. My "Mama Mary". When I enter the Pearly Gates, I can pictures her waiting for me with out stretched arms to welcome me. So I would say to her," enjoy the presence of God and rest in His Peace". You are loved, your Lady Bug.
