“ Skippi & David.
My prayers are with you since I could not come to visitation or service due to work. Mom & Mary were both 88 and I can remember them together at the store. David & I also spent some hours there. I still have a Peter Max large ash tray from the iroquois collection. My grandchildren kid me about it. I wish you both peace in this sad time; but imagine Mom & Mary are already having a cocktail and discussing family and fond memories.

“ We are on family vacation at the beach and are sad that we cannot be in town to attend the service for Mary. We lovingly remember "Nana" as a special person with an infectious laugh and great sense of humor. We were fortunate to be a part of many Knight family gatherings where Nana kept us laughing. Our thoughts and prayers are with Debra, Chuck, Skippi, and the entire family.

“ Dear, Skippi, Don, David, & Family,
I was so sorry to hear of your loss. Mary has been a dear friend and customer of mine for the past 3 years. I along with everyone at Evans of Albany will greatly miss her. She always made us laugh and smile no matter what. She always told us if she could make one person smile that she had a good day. We will always remember her.

“ We remember well Moncrief's; it was such a nice store. We registered crystal and china there when we were to be married. Later, when the patterns were discontinued, Mr. and Mrs. Moncrief gave us all the items they had in stock at the time. We still cherish all those glasses and plates. Our sympathies in the loss of your loved one. May God grant peace and comfort.

“ *Dear Skippi and David,
You both know that my heart aches for you during this time of loss. You'll probably find that losing your mother is the hardest thing you'll ever have to face, but I know you're strong and will get through it. I do rejoice in knowing that she is with your dad now and they can both be at peace. May God bless you and hold you gently in his arms.*

*Much love,
Sara*

“ *I don't think I knew Mrs. Moncrief, but I have fond memories of their store when it was located at Midtown Shopping Center. Back in the early sixties my parents ordered their fine crystal from the store. The set, a service for 12 is still complete. My mother still has many nice accent pieces that she purchased from Moncrief's. I still miss shopping there, and I am very sorry to hear of your loss.*
