“ Alan, Roddy & Family,
I was so sorry to hear about Mary. She was such a gracious lady. She gave money countless times to Carol Marsh to help with fund raisers for the youth in the church and I'll never forget the time she baked a German Chocolate cake for me for my birthday because she knew I loved it. She was always thinking of others and trying to give back. Roddy, you probably don't remember me but we used to ride the same school bus. My maiden name was Olivent. I could go on and on singing Mary's praises. Alan, I thank you for the joy that you brought into her life. I know those years spent with you were happy ones. I'll never forget what a gracious lady Mary was and I thank God for sharing her with us all of these years. May God bless your family.

“ AI,
We are so sorry about Mary. She was a wonderful lady and we know how much she meant to you. You are in our prayers. Please let us know if we can help.
Roddy,
I am a Cato-Cheryl's baby sister-so I guess I have known your mother since I was a baby, but most recently through AI. I am so sorry for your loss. She was very special and will be missed.

“ Dear Roddie,
Your Mother and I worked together at Atlantic Discount for several years in the 1960s. You were too young to remember me I am sure. Your Mother taught me many things about life, marriage and business. It was a privilege to know such a strong, intelligent woman. My condolences to your entire family.
