“ *Mary and I were from the community. We went to school together until she transfer to Moultrie our senior year 1959. I have lots of good memories of us growing up. Talked to her a few years back never made it back to Ga to have lunch. My prayers are with her family.*

“ Mary has always held a special place in my heart. She was one of those people who just got things done. And helped so many of us in our careers. She also had a good amount of iron in her spine and would use it when necessary. She was what you want in a friend and co-worker - friendly, reliable and caring - and honest! And, if you were off base, you would get the equivalent of an eye roll. We were so lucky to have her as a part of our life.

Ray, I am very sorry for your loss -

“ Ray my prayers are with you. I loved Mary so much. In the thirty two years of working with her I never saw her upset. She was a jewel. I am in California but will be in touch when I get back.
