“ *My thoughts and prayers are with you during this time in our life. I talked to your mom on the phone many times, and had the pleasure of meeting her once. She seemed to be a very warm and caring person. She was a dear friend to my husband who passed away May 28, 2003. They would talk on the phone a lot and she would sometimes come out and visit with him after he had to quit work. You have lost a dear friend and please know that my thoughts and prayers are with you.*

“ Mrs. Mary was a very dear friend of mine. I know that she has touched many lives during her time, including mine. I will forever be thankful for having met such a sweet, loving, and kind lady. I've heard her say more than once that she loved her family and friends dearly. Whenever we spoke to each other she would always start the conversation by saying "Hey girlfriend?". She always tickled me pink when she said that. I know that she will be greatly missed, but I know that she is in heaven. There she will never feel pain or sorrow again. I know Mrs. Mary would want everyone to read and believe the bible verse in St. John 11: 25-26. "Jesus said unto her, I am the resurrection, and the life: he that believeth in me, though he were dead, yet shall live: And whosoever liveth and believeth in me shall never die. Believest thou this?".</p>

We'll miss her greatly.

Sincerely,
Brandi Zombro and family.
