“ *She was the mother I always wanted in my life when I was growing up. She taught me to have love, and compassion for others, and that I could have trust in others also. Wish I could just call and hear her voice just one last time. Miss her so much.....*

“ *She was the sweetest grandmother I could ask for. She always wanted to care for others and wanted to put herself last. Finally, this is her time to shine in heaven and be happy and dance for herself. She is not suffering, and she was well taken care of on Earth by family. I will forever miss my granny. There will never ever be another soul as kind and giving as she was. I can't wait to see her again.*

She was the sweetest and most caring granny to ever walk this earth!!! God truly blessed me when he gave me her as a granny. She taught me so many things and instilled family values and traditions. She never told me she was tired or didn't feel like doing anything. I know she has a special place in heaven and I can't wait to be with her again. I love you granny with all my heart..
