“ I have known and been close to Mary Lou for many years, she was like family to me..my granddaughter cecilia loved her like her own grandmother. We visited Jay and my brother Terry, every year as our vacation spot. Cecilia and I spent many hours with her, looking at her beautiful flowers, and fish pond that she was so proud of. She always kept treats in her house for the children that would visit...she will be missed in so many way. She always sent pecans home to me and my mother her in Tennessee every Christmas, which meant so much to us as we knew she picked them up and shelled every one of them...We will always remember her love and kindness...and she will be missed so much.
