“ *To all those who have signed the guestbook, attended the services, or sent their heartfelt wishes, please know how much the family appreciates it. I will make sure your comments here are relayed to Grandpa Turnage (Burl) and the family. To the members of Byne and the Sunday School classes of Burl and Mary Alice, thank you so much for your overwhelming support and help for the family through this. To the employees of M&M Mars, DCSS, and those who have worked closely with my parents Carl and Louann, the support you have shown my family over the last few months will always be remembered. Thank everyone so much.*

“ *Dear Uncle Burl,
God Bless You. I am so sorry to hear about Mary Alice. She was such a bright and effervescent personality and as all of the Turnages did, she also made me feel like part of the family. I will always remember her ever-present smile and joyful southern drawl. I am making plans to be at the funeral tomorrow. Were you aware it will be the 9th anniversary of Papa T's funeral? My thoughts and prayers are with all of you and will continue to be with you.
Love,
Janie*
