“ *Cheryl, Crystal, Craig, and Chayne: words can not express how much your family means to me. The visits when we were children, our fathers' close relationship, and the lasting memories of playing together. The passing years and distance does not diminish the fondness and love I have for you. I pray you all have peace and comfort during this time and know that you are valued and loved. God bless you all.*

“ *The world will be a poorer place without your mom in it. She was always the sweetest thing and I will remember her with love and joy. I will choose to remember the two of us as pre-teens, playing and "doing cheers" although neither of us had much talent for it, nor any desire to try out for cheerleader! We had fun when we were together until her family moved. Peace and love to all of you. Faye McFee Cook*
