“ Gail, we go all the way back to friendship times at Broad Avenue Elementary School in the early 1940s. I remember you and your sister, Frances, so well. Even then, you were such an outgoing little girl - always smiling and happy . Even though we were all children of the Great Depression, and did not have many worldly goods, but we had what mattered faith - in God that He would see all of us through, and He did! Later as a grown-up wife and mother of 3, I always looked forward to seeing you in the grocery store, and I can still hear your strong voice calling out my name whenever you saw me. I know how saddened you were with your husband's untimely death, and also your son, but I know that you all are having a Happy Reunion now in Heaven with our Lord and Savior. I will never forget you! Your elementary school friend, Evelyn Butler Clifton

“ My heart is SO sad to learn of Mrs. Gail's passing :( I was her banker for a few years, and she made the BEST baked goodies. She had us spoiled for sure. She spoke about "Pee Wee" often, and it always made my heart full to see her wear his wedding band around her neck. She was a hardworker, and didn't think twice about helping someone. I miss her dearly... Prayers and love to all of you.

“ Aunt Gail is what you will always be remembered in my heart. As part of the Beacon family, I enjoyed worshipping and fellowshiping with you for many years. We had a lot of fun times at Eufaula camping, skiing and fishing with our families. I remember singing GONE in your honor at Easter because you loved it. As the song says....Christ lives forever more. He defeated sin and death. He awaits Christians in heaven when we die.I know you gave your heart to Jesus and I will see you again in heaven. I pray that God will comfort your family.

“ All of us at R & S Sports called her Grandma White. She brought us cakes from time to time. She shopped with us for Justin for several years. But before the store my sister, Pam and I played softball against her. She was the pitcher for Beacon and we played for First Free Will. We all loved her too and she will be missed. God bless the family.

“ I was shocked and very saddened to learn of Gail's passing. I met Gail several years ago when I started accompanying my dad to Burger King for breakfast. She never met a stranger and was a kind and wonderful lady. She will be greatly missed by all of her friends in the community. I know she's in heaven now, probably enjoying a bacon and egg burrito (no peppers or onions). May she rest in peace.
