“ *Marybeth and I were in college together. She was always one of the nice girls on campus and I was fond of her. When I came to Albany I met Margaret and we became friends through the Business and Professional Women's Club. I have not seen Marybeth in many years and did not realize how much like Margaret she looks.*

“ *Sending our deepest sympathy to the Davis family. I'm employed at Destiny Transportation Group Inc. I've had the pleasure of transporting Ms.Davis. She was always friendly to everyone. She loved to talk and oh my how she missed her pet cat "pepper". She was a sweet, lovable person. We all loved her and will definitely miss her.*
