“ *Thank you Lord for granting my Nanny her wish of "going home" in her own home. I will miss you Nanny, but I know that you are in a better place. I'm so happy that PaPa got to spend this year's anniversary with you. Dear John and I will miss you, but you will ALWAYS be with us in our hearts and ALL the wonderful memories that we have. I LOVE and MISS you very much. Love your Sissy Girl.*

“ Our thoughts and prayers are with you at this time, while you grieve the loss of your mother and grandmother. I will truly miss her and her phone calls to us here in north carolina. Even though I did not get to see her much through the years, I still felt very close to her. She will always be in my fondest memories. Sorry we could not make the services.
