“ *I always knew max as my pepaw. He always had a smile on his face when he'd see me and always addressed me as "sky-man". One of my last big memories with him was on his birthday a few years ago. My dad and I took him to the airport in carrolton for his last airplane ride. I'll never forget the grin on his face when they took off. I enjoyed every moment I was able to spend with you pepaw, see you again one day. Love, sky-man.*

“ Max has been a part of our family for many years. I always enjoyed the times we spent together, especially around the Christmas holidays. He was a fascinating and highly intelligent man who could talk to you about any subject under the sun. One of the things I will always remember Max for is that he never missed an opportunity to ask how My wife, daughter, and granddaughters were doing. He loved his family and we loved him. Rest In Peace Max and say hello to Dad for us.

“ Max was my father in law and I was his favorite daughter in law. I loved this man. I am so thankful that God gave me another dad to love and share my family with. He had a love for flying, engineering, and collecting treasures which he has passed on to my husband. He loved spending time with his family. Especially if that included one his favorite desserts (banana pudding) that only his favorite daughter Sabrina could make. He loved her cooking and she loved doing it for him.

He loved all his grand children and was extremely proud of all their accomplishments.

He had a very special relationship with all of them. They loved their Pepaw!

Although Max will be greatly missed we find comfort in knowing he's in Heaven with his daughter Lisa, and his parents. I know we will all be together soon. So I thank the Lord for His saving grace. I know I am a better person for having him in my life. Rest in Peace Dad! I love you so much and I will be seeing you
