“ *I am sorry to learn of the death of Maxine. I was born in Albany but did not live there full time until 1943 after my father died . But I constantly visited my aunt and uncle in Albany and saw Maxine at the First Methodist Church when I visited there. I even went one six week period to the sixth grade at McIntosh as the school in Alabama where I then lived only went for seven months. Maxine was in that class. I remember Maxine as a sweet, kind and gentle person. I have not seen her for a long time. My sympathy goes to here family
