“ Terry, Sue, Mark, Mona & Families -

Mrs. Smith was such a special person in my life. I have so many memories of those early years at Albany Electric and miss that close "family" feeling that we shared back then. I know that the past several years have been very hard on both Mrs. Smith and on all of you as you had to watch everything that she had to go through. I hate that it had to be so hard for her. Please know that you are in our thoughts and prayers during this time.
