“ Megan,
I really enjoyed getting you happy meal toys that you could play with. You and your Mama always looked so cute when she would dress you like twins. I remember you and your Daddy eating whatever you wanted and watching TV when your Mama would leave the two of you at home.

“ Words can not express the sorrow that I felt in my heart with hearing of Megan's passing. The only comfort that I can provide is is reassuring the family that they are in my prayers. Everyone that knew Megan loved her. I know in my heart that God wanted her company. I am sure that all the angels in heaven have been singing praises and loving her. I am also sure that Megan is smiling that same sweet smile she always had in return. Carol and Wayne, I will keep you both in my prayers!

“ Dear Wayne and Carol, I've just heard of the loss of your precious Megan. Her picture is so sweet, how beautiful she grew up to be. It has been so long since I last saw her. Please know that you both are in my heart and prayers. I'm sure memories of such a precious child will bring warmth and smiles back to you as I'm sure she would want for her wonderful parents. I have thought of you all so many times and hoped that you were safe and happy. Love, Helen

“ Dear Carol and Wayne,
I know that this is probably the most difficult thing you have ever faced in your lives.
I know that we have never met face to face, but it seems that you are an extension of my own family. I do not have the words to tell you how much sadness I feel for you, I don't want you to feel that your feelings are not important or to overwhelm you with wishes of sympathy. I just want you to know that you and the passing of I know that incredibly wonderful daughter of yours has touched my heart. I hope that you will be comforted by the knowledge that God saved her from the ugliness of the world. As I think you know what an incredible blessing we as parents of these special children that she is definitely in his loving arms today. To never know sin, what an awesome thing.
We all love you and are praying for you.
I am so sorry for your pain. Love Kathleen Brennan mom to Michaela.

“ We are created by God for God. How touched and honored I am to have known Megan and to have worked with her and her family when she was young. There is no doubt in my mind that God used Megan to bless those she came in contact with, and that the seed of love she planted will grow and flourish forever more. My heart goes out to the family and my thoughts and prayers are with you all,

“ Carol, Wayne, it'd hard to think of the right words at a time like this - just know that I am thinking of you and your sorrow. After nearly losing both my kids in the last three years, I can only feel a portion of what you are going through now. God has a plan for each of us - we just have to wait patiently to know what that plan is. One day we will understand all of this. In the meantime, we must continue to love and reach out for one another. I do love you and mourn with you for the loss of a beautiful child.

“ To the Hollomon family, We are well aware that there are no appropriate words to express how you feel and no words can truly comfort you right now. Just know that your faith in God will get you through this. Keep close to your heart that Megan has been welcomed into God's Kingdom where she is safe. Ultimately, God calls all of his angels home. Your family will remain in our prayers.

“ We are so sorry to hear of Megan's death. I can remember seeing her so much at Dr. Smith's office when I was worked for him. Her picture is beautiful and we know that you have fond memories of her that will make you smile when you think of her. We lost our son 7 years ago and feel the hurt that you are having at this time. “ What a blessing this child was! God allowed me to meet her and work with her this summer as well as her wonderful family. I am a better person for having the blessing of knowing this child and family. Megan taught me so much more than I ever learned in any text book. She taught me much much more than anything that I could have taught her in therapy!

“ JUST A NOTE TO TELL YOU HOW VERY SORRY I AM. I CANNOT IMAGINE WHAT YOU ARE GOING THRU BUT THERE IS NOTHING THAT WITH THE LORD'S HELP WE CANNOT ENDURE. MEGAN IS TALKING AND REJOICING WITH THE LORD WAITING FOR HER FAMILY AND FRIENDS TO JOIN HER. SHE WILL STILL BE CLOSE BUT IN A NEW SPECIAL WAY. YOU HAVE BEEN GREAT CHRISTAIN PARENTS AND TOGETHER DID WHAT MOST WOULD HAVE GIVEN UP ON, NEVER LOSING THE FIGHT. GOD'S SPECIAL GIFT THAT HE LET YOU HOLD IS NOW BACK WHERE SHE STARTED. JUST SO YOU WILL KNOW YOU ARE IN MY THOUGHTS AND PRAYERS. LOVE, JACINDA
