“ I was deeply sadden today to learn of Melvin's passing. My thoughts and prayers go out to Mrs. Valerie as well as to Trey and Brian. I wish I had been there to hug and console with each of you in your loss. Mr. Melvin Newell was a good friend of mine for nearly 35 years. I meet Melvin when he was working for my Uncle, Gene Reeves in Fort Lauderdale Florida way back in the Early 80's. Melvin was from Albany Ga. and was Uncle Gene's Truck Foreman for Gene's Road construction business and his Father Mr. Melvin Sr. also worked with him as well as a loader operator. After Uncle Gene moved to South Florida, Melvin and his family moved to South Florida also and continued to work with Uncle Gene for several years. I moved to South Florida as soon as I finished school. Melvin was my foreman when I went to work as a young man for Uncle Gene. Melvin was a great mentor to me and is one of the main reasons I choose to not only work in the road construction business but to later start my own Construction Company. We both returned to Albany, Ga. where Melvin went to work at Reeves Construction, managing the asphalt plant and I started purchasing asphalt from him for the next 25 years. Melvin had the patience and was gracious enough to guide me through the daily constant calls that I placed to ask for advice and direction. Melvin always made time to guide me, teach me and share his wealth of knowledge that he had in the complicated and technical aspects of the Road Construction Business. I am friends with both of his son's, Dr. Trey Newell and Brian Newell as well as his Lovely wife Mrs. Valerie, who put up with my many calls at all times of the night to ask Melvin, "what kind of asphalt mix are you running tomorrow" or " where can I find some trucks to help me haul the next day. I will forever be blessed to have know Melvin and his wonderful family. Rest in Peace and go with the Lord my Brother, Chip Brewer

“ I was lucky to have met Melvin through Ken Ford. What fun it was playing golf with Melvin, Ken and Mike the few times we played together. After my first few minutes with Melvin I felt as though I had known him all of my life. He was a true gentleman and will be missed by all who knew him.

My thoughts and prayer are with you and the entire family.
