“ *I am so sorry to hear this. I knew Merritt from the time I was in the 5th grade. Clifford and I were best friends forever and Merritt was a close friend. I remember a lot of Saturday's and Sunday's that we would chase fly balls for him in the pasture of that big plantation they lived on. He was the best ball player to ever come out of LCHS. My condolence's to the family. I was fortunate to have know him.*

“ *I graduatd from Lee Co. High School in 1961. Merritt and I rode the same school bus to and from school for probably a year or two. His brother Clifford and I were in the same grade. He was always so nice and knew that all the "little girls" thought he was about the best thing ever. Enjoyed watching him play baseball for Lee CO. High and after I married in 1964 I had the opportunity to introduce my husband to him in a little place called "The Peppermint Lounge" in Albany. He was always the same whenever you saw him and I know that he will be missed by all of his family and friends. It has been many years since I last saw Merritt and I know he is in a better place. I was very sorry to hear of his passing.. May God Bless His Family!!*

“ Dear Juanita and Family,
We are so sorry to hear about your loss. I can remember the first day that I met Merritt ... way back in Ocala, FL. I will always remember his smile from the first day I met him throughout the many years I was blessed to know him. He was always so kind to me and had a special interest and kindness for my daughter, Jessica. Always the gentleman, always time for a smile and kind words. A man of integrity. He will truly be missed here on earth; however, I know Merritt is enjoying himself in the prescence of His Saviour. Much love and prayers to all of his family.

“ *I first met Merritt in the early 1980's , probably the first Augusta Futurity, while I was working for Paxton Quarter Horses.*

Like everyone else, I enjoyed the baseball stories. He was the first professional ball player I ever met.

It was his horsemanship, though that cemented our friendship. In my opinion, the greatest compliment one can give a trainer is to call him, "A Horseman."

“ *So sorry for your loss, Juanita. I surely remember all the shows in Fl. and how much he helped Wayne (deceased). I also remember his asking to show my love, Jose Sport, in the Winter Circuit. That meant a whole lot to me. I have thought of him often, and you too. Take care and know that I am thinking of you now. Bezy*

“ Charming, gracious, handsome, and generous-- Merritt Ranew touched a lot of lives. I am glad to have grown up with Robin and to have had her daddy as such a big part of my own childhood. I remember his patience when asked to saddle up horses and ponies for little girls who wanted to ride when he finished a training session. I remember him being so sweet but firm about getting back on the horse when you fell off. Other fond memories include him at happy moments, making birthday parties fun, on the couch watching baseball games, climbing up into that big oak tree to help Robin get back down when she got too high and was scared, playing catch with Ryan out by the trampoline. What a rock he and Juanita were, when Robin, Kayla, and Kacy came back from Japan and then soon after I married, and stopped in for a visit, he was so sweet in how he asked if my Augusta born husband could help him get the chance to play at the National Golf Club just once. Mr. Ranew always had a ready smile for most everyone and a charming tone of voice that made you feel like he was genuinely happy to see you. I know he will be missed terribly! Juanita, Robin, Becca, Ryan-- all of you are in my thoughts and prayers. So sad not to be there with you now, but sending my love and wishes for comfort at this sad time. Love, Margaret

“ When I was a very young girl, my brother Tom Carcelli and Clifford and Merritt were playing baseball for the American Legion Post 30. I was the one chasing foul balls for them. And Merrit and Clifford even signed a baseball for me. What wonderful fond memories I have of all of them.

“ How thankful I am that Merritt came into my life! I was a struggling, wanna-be cutter until I started taking lessons from him. He spent hours and hours with me...teaching me how to cut cows and tune my horse. After just a few lessons I started winning money! He was a gifted teacher and just a wonderful person through and through. My life is richer for having known him. So many happy, happy memories. My heartfelt sympathy to Juanita and his family. I'm sure they having cutting horses in heaven!

“ *Juanita,*

Our deepest sympathies to you and the family. Ronnie and I both have such fond memories of our times with you at the cutting horse shows - especially all those Jackson Mississippi and Fort Worth shows. Merritt was never in too much of a hurry to stop and visit and he always had that wonderful smile on his face.

The newspaper in which I write about his illness is just coming out. That saddens me. I will have an obituary in the next edition. Facebook is full of sweet comments about him, though. I hope you have read them.

Know that we love you and pray that the peace that passes all understanding is enveloping each of you right now.
