“ dad: it's been 3 years today. Nothing I can do or say can express how much I miss you. You would be so proud of your grandchildren. They are precious. I wish they could have really know their peepa. I need your wisdom so much at times. I need to talk to you sometimes and I miss your advise. I love you dad.....

“ This is in memory of my father and our last conversation 25 years ago.

*I will miss you and never forget our trips to Nelly Bly, on the rim of the Atlantic Ocean, in Bensonhurst, Brooklyn, New York, when I was a little girl.*

*This is to the dad I never knew.*

*I too am your surviving relative.*

*Love, Sheryl (formerly Rosenfeld) Du Somme, Torrance, California*

“ A very unique man is gone. I've never known anyone so completely devoted to his family and they to him. To say he will be missed is so inadequate. I don't have the words to express how my heart hurts for his wife and sons.  
Leila, Ivan and Jeffrey, may God bring you comfort and strength to help you through this terrible time.
