“ *Steve, Rebecca, Ms Jan, Teresa and Cindy- please know that our thoughts and prayers are with your family....Personally my family will NEVER forget you all for your kind and generous outpouring of love and support at the time of need for our family during the aftermath of Hurricane Katrina...we will be forever grateful! I'm so sorry we were not at your side to support you all during your difficult time. Mr Andy was a very humble veteran and it was such an honor to converse with him....He certainly has earned his wings. May you all be given strength through the wonderful memories you all share....Much love! Karen & Ken Petersen*

“ Remember the time we came down to visit, we will always remember the good time we had visiting with you and Andy. We wish we could have come down more. Johnny never really got to know Andy because he left home when Johnny was so young. He will miss not being able to see him again.

Love and miss you. Keep in touch.

“ *I was blessed with the opportunity to fill in for my grandmother and look after Mr. Andy one day. I was happy that Mrs. Jan allowed me into her home and showed me great hospitality. Both her and Ms. Teresa were very kind and full of compliments that made me blush. I'll miss hearing the stories my grandmother told of her "adventures" with him. She truly loved her job and I could see why--he was a joy to be around. I love you Mr. Andy! To his family and friends, I'm so sorry that he's gone, but of course he'll always be loved and never forgotten.*

“ Wednesday was my favorite day of the week for two and a half years because of you, Andy. I'll miss the time we spent together, but I'll always treasure my memories and hold them near and dear to my heart. You truly felt like a part of my family. I LOVE YOU and I'm glad we were blessed with the chance to share those three dear words with each other the last time we spoke. That will forever remain in my heart and allow me to smile when I think of you. You can rest in peace Andy because I'll take care of Jan for you. You know I will.

“ I am so sorry to hear of Uncle Andy's passing. I have always had the upmost respect and admiration for him. With families being spread out over the country, it is hard to stay close and connected. But i do have fond memories of the times that you all came up to visit.

My special prayers, thoughts and love to you all, Aunt Jeanette, Teresa, Stephen, Cynthia and families.
