“ *Michael was my cousin. I spent many summers with my cousins at Flatrock and the fish fries and heat in Columbus! Micheal always reminded me of Elvis Presley because he was a good looking guy and could sneer! I loved him as he was one of the three best cousins, who were boys, that my Aunt Dottie raised and were big eaters and brought so much fun to us all. Jon Pat was the baby and I kept up with him while I was in Savannah. Micheal married Jan and I remember that my daddy stayed in touch with them, long after the cousins went their different ways. Lynn was the oldest and still is with us, and I am so sorry that he has had so many losses recently. But I like to think of my mama, Virginia , and Dottie and Ferry and Treacy and Uncle Gordon, and Sonny and my daddy Howard all having one another once again and in each others arms...and with Michael and his brother all together.*

“ I was so sorry to hear about Michael. Even though we have not kept in touch I would often think of my Burch cousins. I remember Michael as being fun loving and very sweet. He had the cutest goofiest grin.

My thoughts and prayers for all of you during this difficult time.

“ Janis,
I am so sorry to hear about Michael. You and the family are in my prayers. Mama lost her only brother Sunday morning so I haven't had a chance to come by and see you yet. Mama says to tell you she is so sorry too. But like her brother, they are no longer in pain, or suffering any longer. I love you.
