*Life should not be a journey to the grave with the intention of arriving safely in a pretty and well preserved body, but rather to skid in broadside in a cloud of smoke, thoroughly used up, totally worn out, and loudly proclaiming, Wow! What a ride! - Hunter Thompson*

*Sean - What a ride, old friend! What a ride. May you finally rest in the peace you long sought. And thank you for all those decades. You will always be remembered. - Mike D*
