“ I am so sorry for your loss, I was given the opportunity to work for the Hughes when they were in Albany, Ga. My husband and I met at Network Publications. I remember Michael was always so full of life and so happy, he was a joy to be around. My husband and him worked closer together than I did. He was in one plant and I was in the other. When he would come over to our plant, everyone was in a better mood after he left.

I think of all the Hughes often, they were like family to me at that time. I was so sadden to hear of his mom and dads passing. I was shocked to hear of Michael's passing! Mine and my husbands thoughts and prayers are with you all. Praying for peace and comfort.
