“ I graduated with Mike from Summerville High School. Although, I did not keep up with him and coorespond through the years, I added him and the family to my prayers as soon as I saw a post of his illness on Classmates.com. Although, he has left this world, memories of him and his life will live on. May peace surround those family members who lost a wonderful father, husband, son, and brother.

“ Hello Nancy and Maddy:
I have not had the pleasure of meeting the two of you; however, I knew Mike many, many years ago and always thought so much of him. He was always a true gentleman. I graduated from Summerville High in 1970, a couple of years before Mike. He was so well thought of by so, so many people, and was quite the athlete, and always so kind and caring. You are both in my thoughts and prayers. I pray that your many happy memories will comfort you at this very sad time.

My best,
Cindy Lewis-King
