“ *Mike was a friend and mentor to me. To his family Ms. Vicky, Sand, and little James. I am so sorry for the your lost. Michael taught me alot the short time we worked together. We shared life experiences. I gave me opportunities no else had in our business and educated me on how to conduct business in honorable manner. He showed me if you can get up. You can get started. He showed true grit and determination. He will be missed.clayton jones*

“ *We are very saddened to hear of Mike's passing away. He was a good friend for so many years. What I always did respect about Mike, that even though he fought a myriad of health issues, he "pressed on", and pretty much didn't let anything stop him from living life to the fullest! He loved his family, and we love the Morris family also. God Bless you all. Royce and Stella Townson.*
