“ Dear Bill and Peggy--am so sorry to hear of Midge's passing although I suspect she's having a wonderful time in heaven and enjoying all the beauty there!
It's been a long time since we've seen each other, hope you are both well. Bill, I appreciated the note and update you sent a while back.
Do take care, I'm sure Midge's service will be a wonderful tribute to her life--a life well lived in serving others! God bless and give you strength through this time and the days ahead!
Love and prayers, Brenda
(Buddy's oldest daughter)

“Dear Uncle Bill and Peggy,
My heartfelt love and prayers are with you all at this time. Midge will be missed so much by so many. She had a way of lighting up a room with her smile and always made everyone feel so welcome. I never will forget the comfort she provided to me at my own father's funeral when I was so upset at one point and I felt an arm wrap around me and hold me so tight. I looked up through my tears and saw Midge's sweet smile. She knew I needed her at that moment. I wish that I could be there to return that hug right now to both of you. Please know that my love, prayers and sympathy are with you all. May God provide you comfort in knowing how much we all care.
Love, Diana (Buddy's middle child) and Dan

“ *Bill,
We were sad to learn of Midge's death although she has suffered a long time. We know her lack of communication with you has been difficult, especially with your health problems. We pray that God will be with you, Peggy and family the days ahead.
Our deepest sympathy,
Lou and Sid Nash*

“ Dear Mr. Harman and family, My heart aches for you as I just heard the news of Mrs. Harman's passing. I ALWAYS enjoyed seeing the both of you when you stopped by Public Works. We shared sooo many laughs and stories of Mrs. Harman when she worked at Public Works. She was a wonderful lady and a pure joy to know. Avon was worth buying just to see you both when you delivered it to me. Again, my heart aches for you and I will keep you in my thoughts and prayers now and in the days to come.
