“ *I remember going to Aunt Mildred and Uncle Horace's a lot when I was very young. I could walk to their home from mine. Spent the night many times with them. They always fussed over me and made me feel very special. Uncle Horace would bring home quail for dinner and Aunt Mildred could make the best cornbread to go along with it. They were 2 special people. I didn't see Aunt Mildred as much when I grew up but I will always have such fond memories of her, her laughter and gentleness. She will be greatly missed. My heart goes out to you Buck and all of the family. Praying that God will lift you up during this time.*

“ *Buck and Family, My heart is broken. Mrs. Mildred had such a calm spirit and joyful heart. She loved Beacon Baptist and she loved all of us that were there and we loved her She always greeted everybody with the smile in the picture you choose. She helped in so many areas, church, hosting, loved our dinners and gatherings of anything we did at church. She would call me or Wilber to come get her and never missed any activity at the church. I was with her the night she fell at the church and ran in and got help and every Deacon in that church was there within seconds. She fell but she never let go of her Bible. I have missed seeing her crouched in her front yard for hours pulling those stickers. Our heart and prayers are with you and your family and we hope the love of friends give you comfort and the love of God gives you peace.*

“ *She was an example of a strong, independent but fiercely devoted Southern woman. There was no doubt God and family came first in her life. Her legacy continues in the lives of her descendants for generations to come. I am honored to have her son, Buck Holly, as my brother-in-law. It has been a privilege to get to know this wonderful family.*

“ *Mildred was one of the kindest and most loving people I have ever known. She and her late husband Horace welcomed me into the Bostwick family like I was their long lost daughter. I loved them both. Bobby Bostwick loved Mildred. We never went to Albany that he didn't want to stop and see her. Buck, we all know how much you loved your Mama and Daddy--and Mildred felt that love. Your goodness, patience and kindness toward your Mama has always been remarkable. She has a special place in my heart and always will. Celia Bostwick*
