“ *Mrs. Mildred was very special to me - she always had a hug and a smile. She had an awesome creativity and what she could do with a pair of scissors is amazing. I will never walk by the banners in the church without smiling as I think of her. I will miss her SO MUCH.*

“ I just wanted to let family know how Blessed I was to have known Mildred. I met her at Central Baptist Church and found out we had nursing and Palmyra in common. She was a gem, talented in so many ways. She shared her books with me about nursing and the way it "used" to be. She truly loved her nursing and it was more than a job to her, she put her whole being into it. I was sorry to hear of her death, but I know she is at the foot of our Father's throne,praising Him with the biggest smile on her face and the Lord telling her "Well done, my child". What a legacy she has left behind !!

“ I was very sorry to hear of Mildred's death. I wasn't able to visit her in last years as I was taking care of my family during their illness. She now joins the angels in Heaven with our Lord. May you rest in peace. I wish I was well enough to attend but I will keep you in my prayers.
