“ *To the family,  
Your Mother was a wonderful person. When I started working here at the office with the state where she was a nurse, I had the pleasure of having her on orientation to go visit Thomasville State Hopsital and tour the hospital. I have some wonderful memories of her working here and will always cherish them. My thoughts and prayers are with you in the loss of Mlldred. May God Bless You and comfort you in your loss.*

*I hope ya'll remember who I am. I am so sorry to hear about your mother. She was always so sweet to all of the neighborhood kids on 12th Avenue. I do not know how she put up with all of us, but she was always smiling. Those were the good old days. Again, I am sorry for your loss and will have you in my prayers.*
