“ *We who have parents are blessed. I was blessed 4 times over. Dad died tragically when I was 12 and Mom was injured and unable to care for her children. My Aunts, Uncles and Grandparents stepped in and took on the role of parents and instilled in me many of the valuable lessons I carry with me to this day. I will forever be grateful. I will always remember Aunt Mildred as a graceful, classical beauty who always reached out to those who needed her and I will forever love and miss her wonderful presence. For all of us who loved her and miss her dearly, I leave these words: "God saw her getting tired, a cure not meant to be, so He put his arms around her, and whispered...Come with me." We will see her again and she looks down upon us now.*
