

Millie (McFarlin) Neal Page

April 17, 1967 - October 3, 2025

Millie (McFarlin) Neal Page, born April 17, 1967, danced into the arms of Our Lord and Savior Jesus Christ surrounded by family on October 3, 2025.

Born and raised in Albany, Georgia, Millie was the beloved daughter of Mollie and Clark Neal. She graduated from Albany High School in 1985, where she was known for her school spirit and bright personality. Millie went on to attend Georgia Southern University, graduating in 1989. She was a proud member of Zeta Tau Alpha sorority and cherished the lifelong friendships she formed there.

Millie had a deep faith, saved at a young age and certain throughout her life that God had placed her on this earth for a purpose. Her faith gave her courage, especially as she faced illness, where she remained fearless and steadfast, trusting fully in God's plan.

After college, Millie pursued a career in sales in Atlanta before returning home to help with the family business. She was known for her care and dedication to customers. For her, it was never just about selling tires—it was about helping people.

Millie was a champion of the underdog, a believer in miracles and magic, and a woman who loved life and people. Above all, she loved her family. She dedicated her life to her husband, Neal, and to their children, Claire and Connor, who were her greatest joy. She was happiest when she was with them, often behind the camera capturing moments that became treasured memories.

She loved photography, horses, sports, and spending time outdoors. The beach was her soul's restorative place, where she cherished countless memories with family and friends. Whether it was childhood trips with her parents, adventures with her children, or getaways with her closest girlfriends, the ocean was always her sanctuary.

Millie was also known for her warmth and hospitality. She delighted in cooking for others, often preparing meals for beach trips, family gatherings, or simply making sure everyone was cared for. Her famous chicken salad was a favorite among friends and loved ones.

She was strong-willed, loyal, and never afraid to speak her mind. Those who knew her will remember her radiant spirit, quick wit, and generous heart. She poured love not only into her family and friends but also into every animal in need that crossed her path.

Preceded in death by her mother, Mollie Neal, Millie is survived by her devoted husband, Neal Page; their children, Claire and Connor; her father, Clark Neal Sr; her brother, Clark Neal Jr. (Suzy); her mother-in-law Trisha Page; and countless friends and extended family who loved her dearly. Her life was a testament to love, faith, and perseverance. As she often reminded those around her, love is the greatest gift of all.

A celebration of life service for Millie Page will be held at 10:30 A.M. on Friday, October 10th, 2025, at First Methodist Church of Albany. The family has requested for all those in attendance to wear bright colors to continue radiating Millie's light. The family will receive friends at Kimbrell-Stern Funeral Home on Thursday, October 9th from 6 PM until 8 PM. Flowers will be accepted, however, those desiring may make a donation to Cancer Ties Inc. in honor of Millie Page.

“ *What a gift it is to have had the opportunity to know Millie, her family and to call them friends for the seasons we shared as young brides, mothers and community volunteers. Millie's largeness of personality was exceeded only by the size of her heart. Memories of her perpetual kindness, devotion to family & friends, loyalty, hard work, frank words, amazing laughter -even in the face of hardships - will be sustaining (for many no doubt) while waiting to see her again. Praying for grace and comfort for all those who will be missing her on a daily basis.*

“ My heart breaks for Neal, Claire and Conner and I pray for their strength and for comfort in the days ahead. Millie was truly one of a kind and her love of family was always on display. She was always happy, positive, energetic and always smiling! Her presence in my life was a true blessing and I will miss her. Millie touched so many lives with her incredible optimistic spirit. Her faith was always on display and the way she forged ahead even while ill was inspirational. Rest now in the presence of God and until we meet again Millie... your incredible example of a life fully lived will be an inspiration to me!

“ I had to stop by the shop just this week with what I thought was a tire problem. Neal took my car and sent me in the office. As i sat there, in comes Millie so frail and weak, BUT smiling and chearful as she always was. She talked about her illness only that God had it handled, and you could not help but believe every word she spoke with strenght and confidence about her Lord. Turned out I did not even have a tire problem, but what I got out of that short few moments with Millie was what God sent me there for. See you again Millie, and enjoy those streets of Gold.

“ Clay and I were saddened to hear of Millie’s passing, but rejoice that she is no longer suffering and is safe with her Savior. Millie, indeed, was a bright light there at General Tire. She always went above and beyond to help anyone who walked through those doors. I remember the last time I talked to her and she was telling me about her illness. It didn’t get her down and she was able to accept it with grace and strength. She gave advice about a car problem I had and it all worked out well.

We are so sorry for the loss each of you feel in her absence. May God hold you in His arms and give you His peace and comfort.
Because of His Love, Clay and Rebecca Miller

“ Millie was a beautiful person inside and out. I can remember her going full speed up and down the halls of Albany high school. She was always smiling and full of energy. She defiantly left her mark with her beautiful soul on all that knew her. My deepest sympathy to her family. I pray God will provide you with his ever lasting peace.

“ I am so very sorry for your loss. I was lucky enough to meet Millie as a child after my family moved in to the house across the alley from hers. We had the best time together for many years. She was an amazing first best friend. We had so much fun together having overnights, playing in each other's back yards and riding our bikes everywhere. Millie was always full of light, faith, love and kindness. She will surely be missed. Our prayers are with you all.
