“ With deepest sympathy to the family of Mr. Landin...as his case manager for a short time I will remember him as a kind and "very" soft spoken person who would often times open the door for me when I arrived saying "oh, it's you, come on in..Pat Ms. Hollis is here". He would then walk off towards the back of the house. Glad I had a chance to meet Mr. Milton.

“ Our dear pawpaw will be missed. Our kids will remember him always and his love for us is forever endearing.
