“Minnie Lee became part of our family when her Mother, Ludie Kay Griggs, married Ralph Musgrove in 1946. It is with immeasurable gratitude and love that we remember her devotion to her family and step family. She was there when we all needed her. She had a gift in difficult situations to be able to ease the pain of the ones suffering. We want her children and their families to know that we loved her dearly and we will miss her. We pray that you will be comforted at this time knowing that she is with her Heavenly Father. Our love always, Caroline & Family
