“ *Your Mom was my Godmother, and what a special lady she was. Although miles seperated us, I always looked forward to her Christmas Cards and keeping in touch. Last year was bad for us, we lost our Mom in March, and I just wasn't on the ball with Christmas...so I missed sending my Aunt Minnie her Christmas card. It was only now, when I went to send out cards that I found out she had been called to heaven. I loved your Mom, she was very special to me and was the best Godmother ever! I will miss her.*

“ Our prayers are with your family! It is such a pleasure to have known your mother. She was a wonderful person and always so sweet. I always remember her at Christmas when we hang the bells on the tree that she made for our children in the 1980's. May God give you all peace.

“ Please accept our condolences to the family.  
We just loved Minnie and loved her hand painted tea-pots. I think we have 6 or 7, including the setting pieces. It was always a thrill to see what new tea-pot she would have each year at the bazarr at St Teresa's Church. She was fun-loving and fun to be around. She will be missed.  
Rest well knowing she now lays in the arms of God.  
God Bless you & comfort you during this time,  
Debi, Kevin, and Mary Griffin, Blue Ridge, Ga.

“ I just wanted to give you my condolences for the lost of your loved one. We have all lost a loved one in death and during this trivial time it can be very hard to endure. One way that I was able to find comfort was through God's word the Bible. God makes a promise to us that at Revelation 21:4 no more pain, sickness, or death will be anymore. God is not a lie so we know that his promise will come true for all. If you have anymore questions please go to [www.watchtower.org](http://www.watchtower.org) for more information.

“ Dear Rosemary and Betty,  
I am glad that I had a chance to talk with Minnie at Simone's party. I had a special feeling for your mother as a role model. I am blessed to have known her while living in Albany.  
In loving memory,

“ Pat, Rosemary, Betty Ann,

*So here we are at another turn in the road, oh how I wish I could be with you to honor your Mother, and the best Aunt a guy could ever have. This is a letter that should have been written years ago, but being the procrastinator that I am, here it is.*

*I can not tell you what it meant to me to visit Aunt Minnie?s, at that time it was my only repose and solace to a very troubled youth, I remember still, the anticipated joy that I felt when we were on our way to your house, it was for me truly a treat.*

*The house was always full of the aroma of something baking and good food cooking, that being said it was more, it was seeing you guys, Pat (the sort of rebel, who I really wanted to be like) and Rosemary & Betty Ann ( my cutie pie cousins)?..but most of all Aunt Minnie ? next to my Mother and Gram the best, most loving selfless woman I knew.*

*As I read thru the obit. I see her selflessness carried her through this life, and I?m sure her Faith carried her to heaven and into the arms of Gram & Mom.*

*May God Bless You and carry you thru this?*

*Love*
