“ I was saddened to hear of your sweet mother’s passing. She was such a good friend to my mom and over the years, always came by to say hello when I was in town. She always showed God’s love to others in the way she lived her life and I feel blessed to have known her and received that love from her. I wish I could come to her service but unfortunately I am not going to be able to. Please know all of you are in my prayers as you celebrate the amazing woman your mother was. Elaine Jones Stead
